

Facing the Writing Challenge

Purpose: Open discussion to give attendees the opportunity to share ideas as well as commiserate.

Goal: We're hoping that everyone will walk out of here with something to try, even if it is the contact information of a person to reach out to.

- What's a recent success you've experienced, something you didn't think you'd have been capable of doing 1-3 years ago?
- What is your biggest challenge when it comes to writing?
- Does your institution have any expectations for your scholarship and writing?
- Does your institution provide any support for your scholarship and writing?
- How can we, in this room work together to help everyone overcome their individual challenges and make more time for writing?
- How can we support one another in our writing projects after this meeting? Virtual or physical writing groups?
